

illi dispenser

The principle of Scandinavian design is the prioritization of functionality without eliminating aesthetics.

ILLI 1 and 2 diversify ADA's dispenser range, offering complementary dispenser solutions with additional features, such as refill sizes up to 525ml. The dispenser systems are as economical as they are environmentally-friendly while being the perfect ambassador for the world-famous Scandinavian design characterised by simplicity, minimalism and functionality.

Modern & minimalistic Scandinavian design
Functional and easy-to-use system
Eco-friendly dispensers certified by EU Ecolabel
